EDUCATION

Computer Science
University of Pristina "Hasan Prishtina"

10/2022 - Present   *Pristina, Kosovo*

PERSONAL PROJECTS

Find Your Nanny ⎘
- A user-friendly website for finding and connecting with nannies, streamlining the search and hiring process for parents.

Timetable ⎘
- A project that reads a file of data with courses and then filters them for the students, to make it easier for them to select what they want.

To-do-app ⎘
- Here you can write down your tasks and then manage them by choosing done, delete, or edit. This helps you to manage your daily activities.

Guess my number ⎘
- A game where the user is supposed to find the number that the computer has chosen.

Travel with us! ⎘
- Landing page for a traveling company.
